

## Get Service

Last Updated Monday, 20 October 2008

To get water and/or sewer service for new construction or developed properties that have not applied, call 924-3920 or visit our offices to obtain an application. A New Service Assessment Technician will be happy to address any of your questions regarding applying for service! The following information will be required when applying for service:

- Property address
- Legal description of the property
- Classification status of the property. (i.e. Residential, Commercial, Institutional, Industrial)
- Meter size
- Service type

If your property has existing service and you are requesting an ownership name change or a meter re-set, please contact a Customer Account Representative at 842-WATR (9287).
