### PROGRAM REQUIREMENTS:

- You must be a water customer of the ABCWUA and install the System at your service address. Call (505) 768-3655 or (505) 768-2800 if you need to confirm eligibility.
- The Hot Water Recirculating System must remain in the possession of the original purchaser, or remain at the original installation address, for at least one-year from the date of purchase.
- The System must be new and can be purchased anywhere.
- Rebates are available to the following water customer groups:
  - single family dwellings, including townhomes and mobile homes
  - apartment complexes
  - commercial institutions
  - commercially zoned businesses or institutions
- Maximum rebates allowable:
  - a) \$100 per single family account
  - b) \$1,000 per commercial industrial or institutional account, such as laundromats and apartments, per fiscal year (July 1 through June 30).
- Some installations may be selected for a random inspection. At reasonable times and with reasonable notice, you agree to allow the City of Albuquerque to inspect the System at the installation address for up to one-year after purchase.
- Rebates will be issued as a credit to the ABCWUA water bill for the installation address. Failure to comply with the terms of this program shall result in revocation of the rebate. Your rebate should appear on your water bill one to two billing cycles after your form is processed.
- The effective date of this program is January 1, 2003.
- In the event this program is discontinued, this voucher will be honored only if received by the City of Albuquerque within 90 days after the date of purchase.
- Copy of receipt must be mailed in with the rebate form.

**Note: Rebate credits must remain at the address where the water conservation work has taken place. You may not transfer the credit from the location of the savings to another account, even if both properties are owned by the same person.**
