

SAN JUAN-CHAMA DRINKING WATER PROJECT **BURTON PIPELINE CONSTRUCTION UPDATE!!!**

Securing Our Future Water Supply

NOTE: All work is scheduled weather permitting and is subject to change without notice.

Crews previously closed the intersection of **Coal Avenue** and **Hermosa Drive** to tie a 6" water line into a 10" water line. On **Saturday, March 1** through **Monday, March 3**, the intersection of **Coal Avenue** and **Hermosa Drive** will be **completely CLOSED again** while construction crews install large diameter pipeline underneath the roadway.

As construction progresses north on Hermosa, the intersection of **Lead Avenue** and **Hermosa Drive** will be **completely CLOSED** on either **Saturday, March 7** through **Monday, March 9** **OR Saturday, March 14** through **Monday, March 16**, while construction crews install large diameter pipeline underneath the roadway.

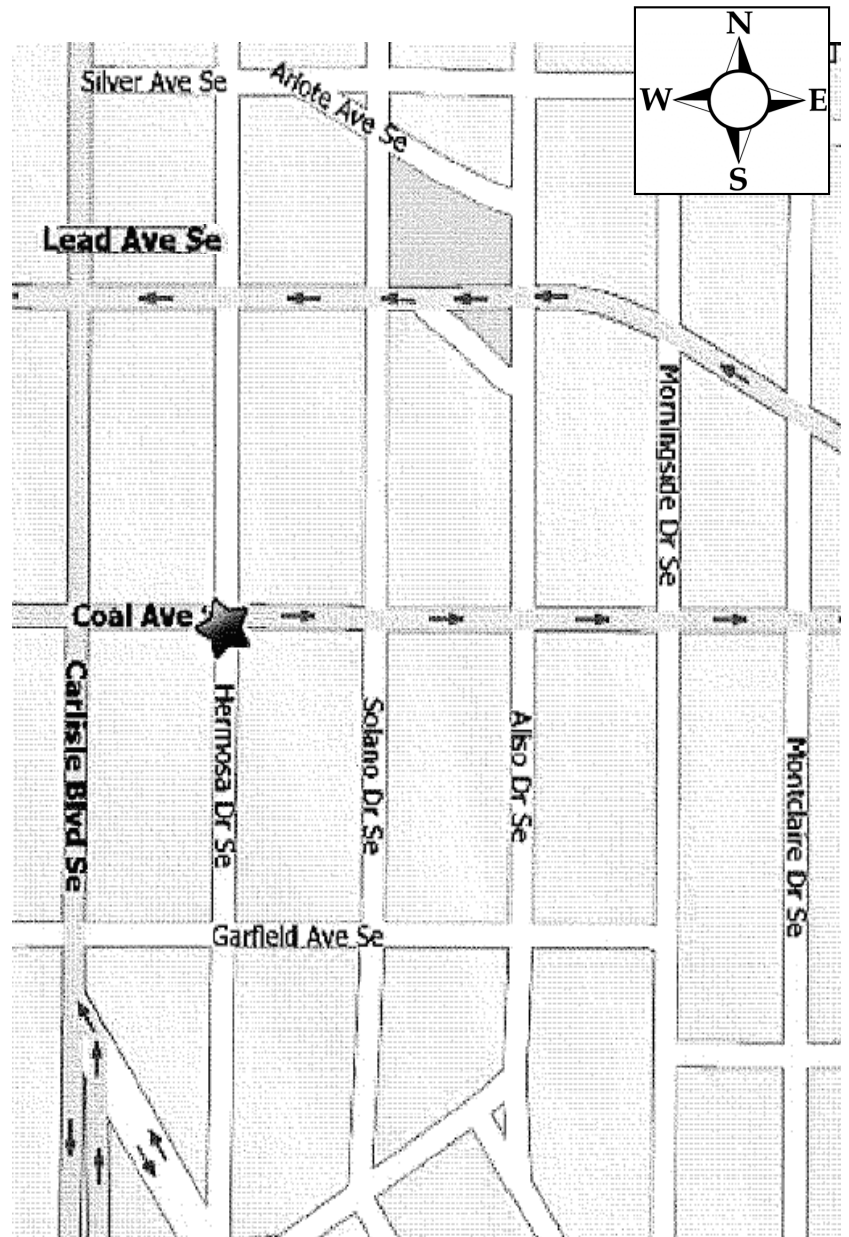

Residents on Hermosa are encouraged to use **Central Avenue**, **Carlisle Avenue**, or **Morningside Drive** as alternate routes.

Crews are continuing to install large diameter pipeline on **Hermosa Drive** between **Ridgecrest Drive** and **Central Avenue**. Your patience is appreciated as crews cross in front of driveways. Access will be restricted to through traffic during construction. **ACCESS WILL BE MAINTAINED TO RESIDENTS AND BUSINESSES**; however, you should expect delays.

Road paving will follow the installation of the large diameter pipeline as crews progress north on Hermosa Drive to Central Avenue. **All paving on Hermosa Drive between Ridgecrest Avenue and Central Avenue is expected to be complete by the end of March or beginning of April, weather permitting.**

Work hours will generally be from 7 a.m. – 7 p.m. Monday – Friday and 8 a.m. – 6 p.m. on Saturdays.

If water shut-offs are necessary while crews are working on your block, you will be notified in advance.
