Program Requirements

1. You must be a water customer of the ABCWUA .
2. Customer is solely responsible for purchase and installation arrangements and payments.
3. City does not warrant, endorse, or assume liability for the quality or performance of the product related to purchase under this program.
4. Customer agrees that rebate will be through a credit on his/her water bill. Your rebate should appear on your water bill one to two billing cycles after your form is processed.
5. Customer agrees to allow the ABCWUA inspector access to the premises in order to verify installation if selected by random inspection.
6. To ensure funds are available for your rebate, call (505) 768-3655 before product purchase.
7. Copy of receipt must be mailed in with rebate form.

Note: Rebate credits must remain at the address where the water conservation work has taken place. You may not transfer the credit from the location of the savings to another account, even if both properties are owned by the same person.
