# WATER SENSE SHOWERHEAD REBATE FORM

## Program Requirements

1. You must be a water customer of the ABCWUA and install the showerhead at your service address. Call 768-3655 if you need to confirm eligibility.
2. The showerhead must remain in the possession of the original purchaser, or remain at the original installation address for at least one year from the date of purchase.
3. The showerhead must be new. The showerhead must be a qualifying model approved by the EPA WaterSense Program. A list of qualifying models is available at [www.abcwua.org](http://www.abcwua.org) or by calling 768-3655.
4. Rebates are available to all customers.
5. Some installations may be selected for a random inspection. At reasonable times and with reasonable notice, you agree to allow the ABCWUA to inspect the showerhead at the installation address for up to one year after purchase.
6. A \$10 rebate will be issued as a credit to the ABCWUA water bill for the installation address. Failure to comply with the forms of this program shall result in revocation of the rebate.
7. The effective date of this program is September 1, 2010. Purchases made prior to September 1, 2010 are not eligible for rebate.
8. Your rebate form will be honored only if received by the ABCWUA within 90 days after the date of purchase.

***Note: Rebate credits must remain at the address where the water conservation work has taken place. You may not transfer the credit from the location of the savings to another account, even if both properties are owned by the same person.***
