For Budget Payment Plan, complete this side only.

For your convenience, the Water Utility Authority offers a Budget Payment Plan. This Budget Payment Plan evenly distributes the cost of your water, sewer and refuse services over twelve months. Your bill will be consistent each month for the entire year. *Only residential property owners, with a 12-month billing history, are eligible to apply.*

Your monthly budget payment amount is based on the average 12-month consumption for the preceding 12 months. If, at the end of the 12-month period, it is found that the customer paid less than the actual 12-month charges, the amount underpaid will be added to the estimated cost of the service for the following years Budget Payment Plan. Budget can be re-calculated during budget year if needed.

Participants are required to make the monthly payment for the entire 12-month period. Inconsistent payments will cause participants to be removed from the Budget Payment Plan and penalties will apply. To delete the Budget Plan from your account, please give us a call at 842-WATR and we will be happy to assist you.

To enroll, just complete the form below and return it to us. If you are currently enrolled at this premise, there is no need to reapply.
