

CHARLES WELLS PIPELINE PAVING UPDATE - HAINES & ALVARADO

ERS is continuing construction on Transmission Line No. 2, Phase 2 -- Charles Wells. Paving is scheduled to take place next week in Work Zone 3 and part of Work Zone 5.

WEATHER PERMITTING:

On **Wednesday, May 23** and **Thursday, May 24**, ERS will pave the following portions of the construction area

- 1) **Haines Ave.** from Indian School Road to Alvarado Drive; and
- 2) **Alvarado Drive** from Haines Ave. south to the north side of Summer Ave.

PLEASE NOTE: Crews have begun preparing these areas for paving, so there may be potholes or uneven sections of roadway. Please drive carefully and observe speed limits.

When crews are paving, portions of the roadway and access to residences may be blocked for 3-4 hours to allow the asphalt to harden. If you have special concerns, needs or appointments, please contact:

Pete Dobbs at 553-5925

Patti Watson at 293-2000 or 269-9691

Shannon Zamarron at 293-2000 or 306-8452

Work hours for paving will be **7 a.m.-7 p.m.**

PLEASE KEEP IN TOUCH!

If you would like more information about the project, or would like to be added to our San Juan-Chama Drinking Water Project Information List, call **293-2000** or e-mail pattiw@cooneywatson.com. Or, visit our website at www.sjcdinkingwater.org.
