

Albuquerque Bernalillo County
Water Utility Authority

ATTENTION FORMER NMUI CUSTOMERS:

If you are a City of Albuquerque solid waste customer, we ask that you please continue to pay your water/sewer bill and your solid waste bill **separately**.

This fall, you will begin receiving a consolidated bill and you will be able to make just one payment.

In the meantime, however, we are still working to consolidate our billing system with NMUI's, and must place payments for water/sewer and solid waste into separate bank accounts. It is important, therefore, that you continue to pay your water/sewer bill and your solid waste (garbage pick-up) bill separately.

We apologize for any inconvenience and thank you for your patience as we work to consolidate NMUI's billing system with ours.
