

CULTIVATE YOUR GREEN THUMB

# Free Gardening Classes!

With spring just around the corner, it's time to start planning your water-efficient garden for 2018! The Water Authority, in cooperation with Desert Oasis Teaching Gardens ([www.thedotgarden.org](http://www.thedotgarden.org)), is offering these free classes to our customers:

## SEED STARTING

(Feb. 24) – Why buy expensive plants when you can grow your own seedlings? We'll show you how!

## PLANTING AN EARLY SPRING GARDEN

(March 3) – Get more from your garden by starting it early. It's not as tough as you might think!

## PLANNING YOUR SUMMER GARDEN

(March 10 and April 7) – The basics of planning a successful vegetable garden, from spacing and irrigation to companion planting.

### LOCATION
