

NOTICE OF PUBLIC MEETING

Albuquerque Bernalillo County Water Utility Authority
Tijeras Reuse Reservoir and Pump Station Phase 1
Project No. CWSRF 151

The **Albuquerque Bernalillo County Water Utility Authority**, in cooperation with the **New Mexico Environment Department**, will hold a public meeting to present information on the Tijeras Reuse Reservoir and Pump Station, including any environmental impacts and mitigation measures identified for the project. This meeting is an opportunity for the public to comment and ask questions.

Figure 1. Mesa del Sol

The **purpose of the project** is to expand the Water Authority's non-potable reuse infrastructure to deliver reuse water to the Mesa del Sol development for irrigation and potential industrial use with the Tijeras Reuse Reservoir and Pump Station Project. Funded construction includes construction of reuse water pipelines and a reuse water storage reservoir in Mesa del Sol. Additionally, flow control vaults will be constructed at both the Mesa del Sol and Puerto del Sol project areas.

The **purpose of the public meeting** is to present the project engineering report and environmental assessment document along with any environmental impacts and mitigation measures identified. A presentation will be given at 6:00 p.m. and will be followed by questions and comments that project representatives can address. Additional public input (comments and questions) will be accepted after the meeting until **October 31, 2025**. To share comments and questions:
