

Start and finish here.

Sing to the tune of "She'll Be Coming 'Round the Mountain"

Water travels in a cycle.  
Yes it does! Yes it does!  
Water travels in a cycle.  
Yes it does! Yes it does!  
It goes up in  
**EVAPORATION**  
Forms a cloud in  
**CONDENSATION**  
And falls down in  
**PRECIPITATION,**  
Yes it does! Yes it does!

Lower hands to the ground  
and wiggle fingers to show  
**precipitation.**

Raise hands and wiggle  
fingers into the air to  
show **evaporation.**

Bring hands together to  
show **condensation.**
